

# Geometric Ring Max

A family of LED luminaires in the shape of a ring. Thanks to their modern and universal shape, GEOMETRIC ARC LED luminaires can be used in any type of space inside a building. Inline installation and connection with GEOMETRIC LINE LED is possible.

## Light Data

<b>Luminaire luminous flux</b>	13260 - 62800 lm
<b>Luminous efficacy</b>	91 - 124 lm/W
<b>Color rendering index</b>	80, 90
<b>Light distribution</b>	Wide beam
<b>MacAdam</b>	SDCM 3
<b>Lifetime L80B10 @25°C</b>	100000 h
<b>Colour temperature</b>	3000K, 4000K

## Mechanical Data

<b>Type of installation</b>	Suspended
<b>Housing material</b>	Aluminum

## Information Data

<b>Colour</b>	Black, Grey, White
<b>Operating temperature range</b>	-15°C to + 40°C

## Optical Data

<b>Reflector</b>	MPRM, OPAL
------------------	------------

## Dimensions

<b>Outer diameter (mm)</b>	1400, 1600, 2100, 2800, 4000, 5300
<b>Height / Depth (mm)</b>	62

## Electrical Data

<b>Light source</b>	LED
<b>Type of equipment</b>	AC
<b>Voltage rating</b>	220 - 240 V
<b>Power factor</b>	0.96
<b>Type of driver</b>	DALI, ON/OFF
<b>EM module / Motion sensor</b>	Optional
