CANDELLUX
LIGHTING

IN A NEW LIGHT

Why Candellux

Polish manufacturer

Since 1990.

Wide product range

From classic to contemporary lighting collections.

Design & functionality

Solutions that combine aesthetics with everyday comfort.

Business partner

Supporting retailers, distributors and architects.

International presence

Delivering lighting solutions to customers in Poland and abroad.

A woman with long brown hair, wearing a white ribbed sweater and blue jeans, is sitting on a light-colored, curved sofa. She is smiling and reading an open book. Above her, two modern pendant lights hang from the ceiling. The lights have a warm, amber glow and a unique, textured, diamond-shaped design. The background is a plain, light-colored wall. The overall atmosphere is warm and cozy.

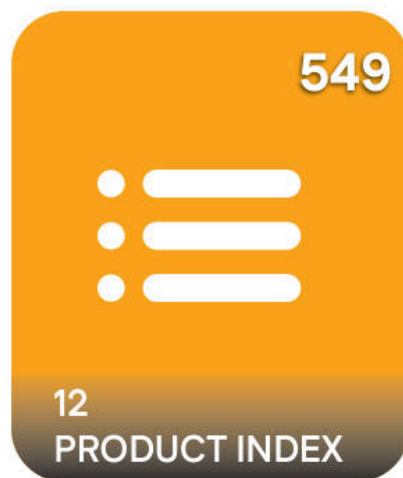

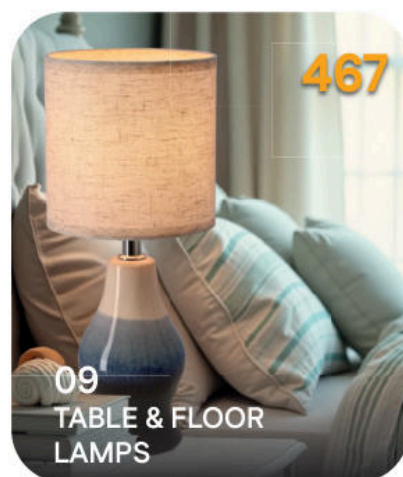

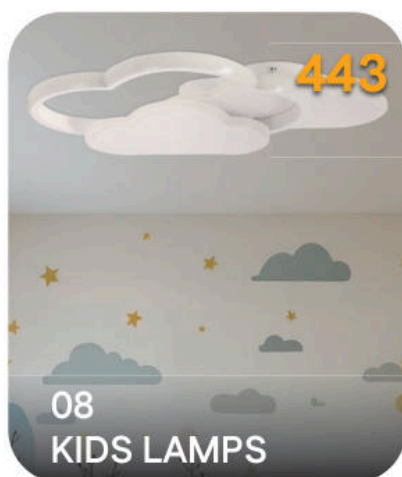

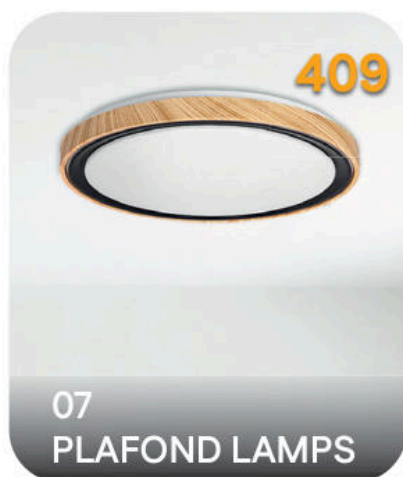

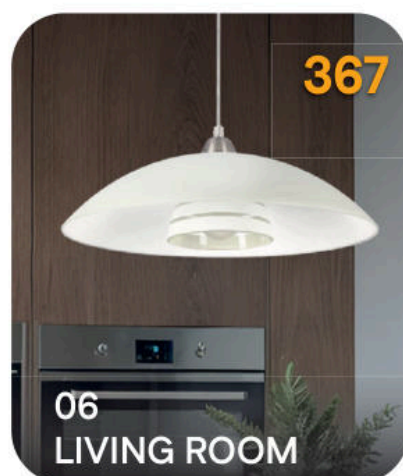

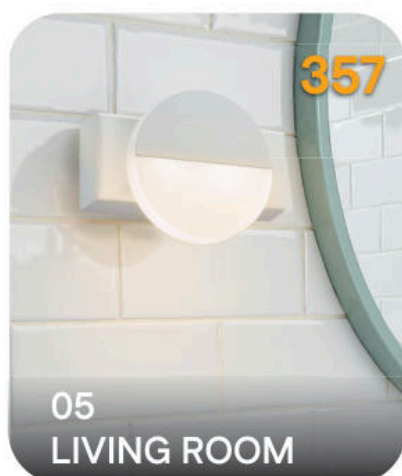

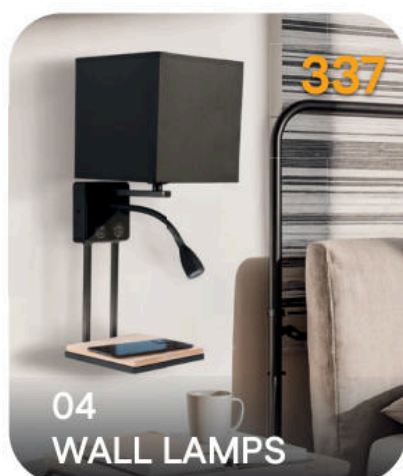

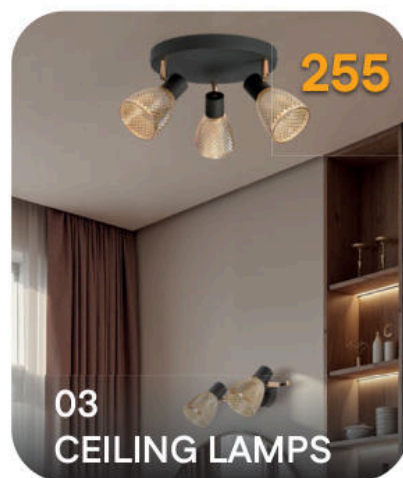

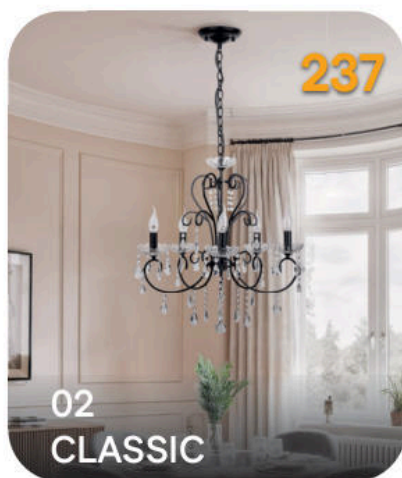

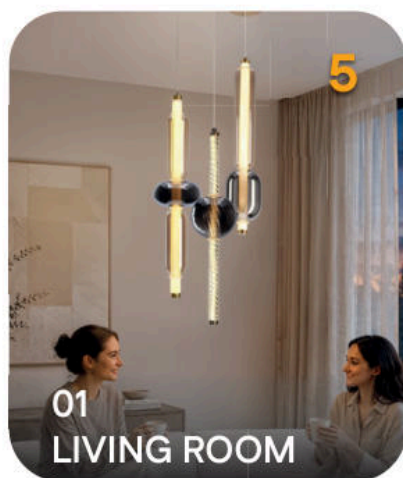

Since 1990, we have been creating lighting for homes that evolve with the people who live in them.

We believe that light does more than illuminate a space. It creates atmosphere, enhances the character of an interior, and accompanies everyday moments. That is why we create collections that combine functionality with timeless design, meeting the diverse needs of contemporary interiors.

Because sometimes, it only takes a small change to see your home in a new light.

Candellux Lighting

In a new light.

A modern, minimalist bathroom lighting fixture is mounted on a wall of white subway tiles. The fixture consists of a white, rectangular, cube-like base with a circular light fixture attached to its front. The light fixture is white and has a horizontal split, with the top half being a slightly different shade of white. The light is turned on, casting a warm, yellowish glow. To the right of the light fixture, a portion of a large, round mirror with a dark green frame is visible. The tiles are white with dark grey grout. The overall aesthetic is clean and contemporary.

A woman with long dark hair, wearing a light beige cardigan, is sitting on a light-colored sofa. She is smiling and looking towards the camera. The room is bright and modern, with a large window on the left covered by light-colored curtains. A large green pendant lamp hangs from the ceiling. In the foreground, there is a round wooden coffee table with an open book, two green mugs, and a small potted plant. The background features a white wall and a built-in shelf with books and decorative items.
